

Wendy Laine, MD

MEDICAL DIRECTOR, WELLNESS

Dr. Laine graduated from the University of Minnesota School of Medicine and completed her emergency medicine residency at Michigan State University, Kalamazoo Center for Medical Studies. She joined EPPA in 2004 and serves as the Director of Wellness and the Assistant Medical Director for Mercy Hospital-Unity Campus. She is passionate about creating a culture of wellness within EPPA along with supporting individual wellness. She

chairs the Women's Group, the Combatting Burnout Committee and the Social Committee. She has been instrumental in bringing the Clinician Experience Project and the Well Being Index to EPPA, and has partnered with the U of MN Masters Health Coaching to become a host site for health coach interns.
